

LOT 7

Architectural floor plan of Lot 7, a rectangular building with orange brick walls and a grey roof. The plan includes a central staircase labeled "trappenhuis" and a red dot labeled "zolder" (attic) with "12.80m²" below it. Dimensions are provided for various parts of the building, including a total width of 14.43m and a depth of 11.54m. A small inset shows a detailed view of the staircase area. The plan is framed by red dashed lines labeled "perceelsgrens" (property boundary) and "rooilijn" (red line).
